

701—13.10(422) Change of location. When a business changes locations, the same permit may be used at the old and new locations if the new location is within Iowa and the ownership of the business remains the same at the new location. Otherwise, the permit must be canceled and a new permit issued.

This rule is intended to implement Iowa Code section 422.53 as amended by 2001 Iowa Acts, House File 715.
